MEMORANDUM FOR: Director of Personnel

SUBJECT : Extended Tours of Detailed Military Personnel

25X1A

1. Colonel [] memorandum and report on the above subject dated 16 November 1967 was forwarded to the DDCI and the Executive Director. The DDCI commented as follows:

"As a general rule I think it unwise for us to request extensions. If the individual wishes to request extension and we are willing to have him, that's a somewhat different matter. It's more one between the man and his service. Our requests should be confined to unusual cases of patently high importance."

2. The Executive Director added:

"I agree fully with Admiral Taylor and please take the necessary steps to make this policy. It is clear that if we keep the military detail too long his military career suffers and in the course of all of this we assume a moral obligation for giving him a job when he gets out of the Service. Neither is desirable."

3. In accordance with the statements quoted above, Mr. Bannerman asks that you prepare a policy paper stating in the future military details will be assigned for the normal, single military tour of duty. Exceptions to this policy should be justified fully and submitted to the DD/S for consideration.

4. In looking over Colonel [] report, it would appear that many of the individuals listed as serving extended tours probably are assigned to units and duties identical to those they would have elsewhere in the Air Force (those assigned to [] for example). If this is so, then it may be desirable to request a blanket exception for certain specific assignments, the majority of which are enlisted men.
